FRONTLOAD:

"WE will be moving to the area of the road you viewed before. WE have finished day 5 and the period of time we are interested in is 7-22 Mar 1984. When we arrive I will cue you to the proper time period. Forget the first five days since we have already covered those and move directly to the sixth day. Remember to cover the entire day each day at a time."

NOTES:

"Complaining about severe back discomfort but desires the session since he finds them to be somewhat therapeutic due to their relaxing nature."

①  
DAY 6. MOST TRAFFIC ON  
ROAD TO DATE, MAJORITY OF  
TRAFFIC GOING FROM SITE #1 TO  
SITE #2. BUT TRAFFIC ALSO  
TRAVELS IN OPPOSITE DIRECTIONS.

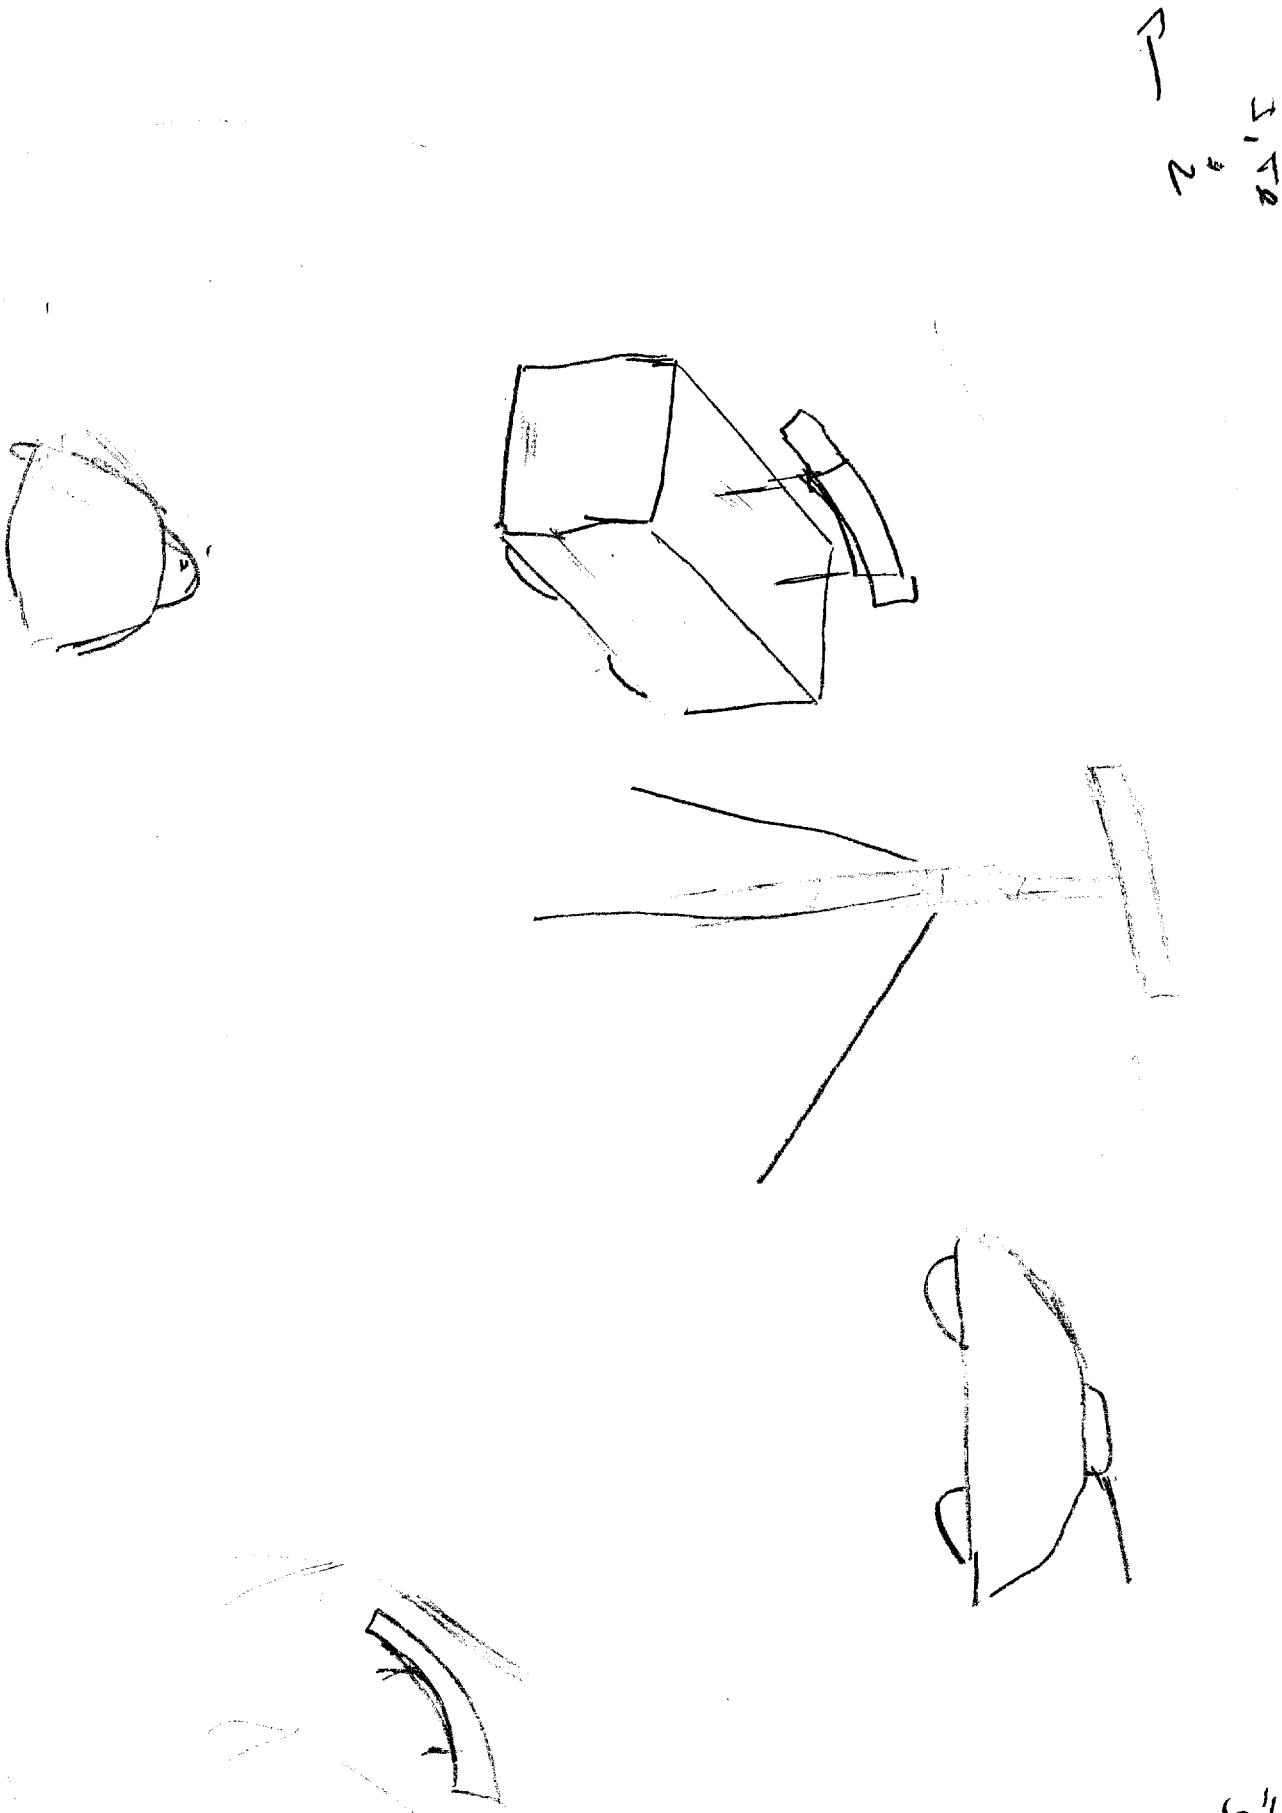

TRAFFIC DOES NOT BEGIN  
UNTIL AFTER FIRST LIGHT.

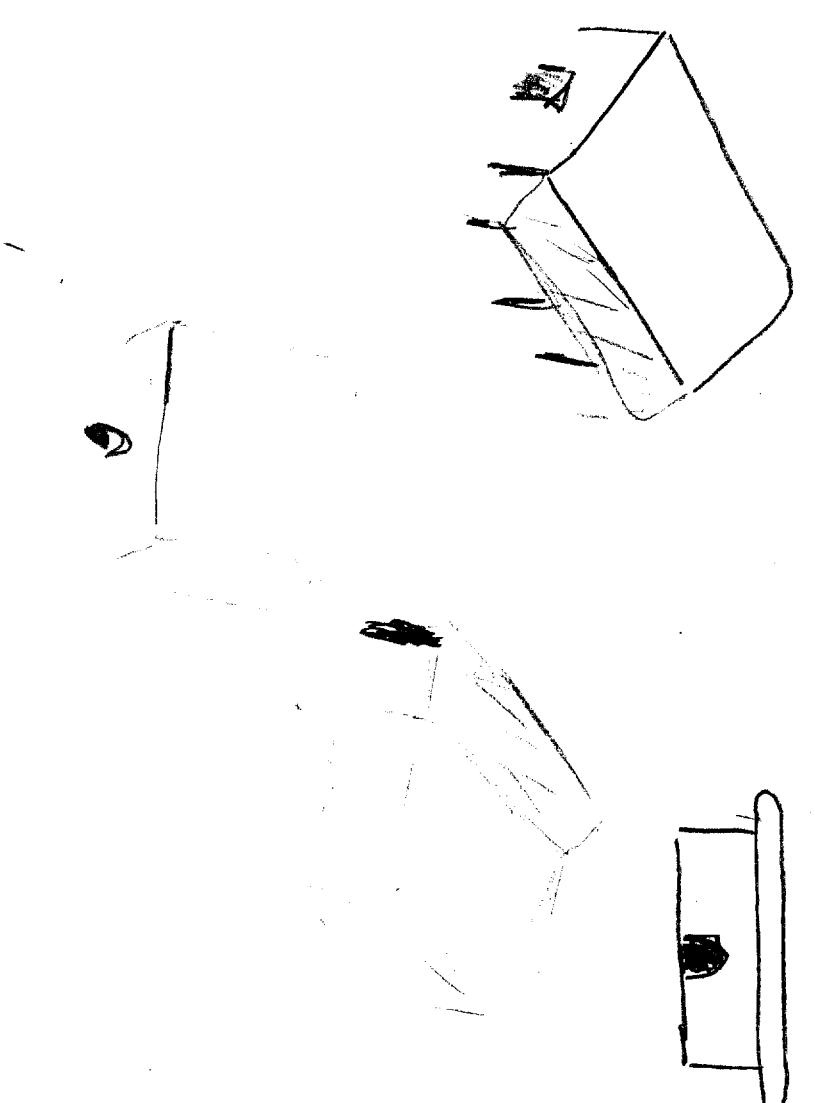

THE NUMBER OF Robbed  
MAN IN HILLS IS ALSO INCREASING  
AND TODAY THERE ARE SEVERAL  
DIFFERENT KINDS OF Robes.

DAY #7 VERY LITTLE TRAFFIC.  
ONE CONVOY MADE UP ENTIRELY  
OF LIGHT ARMED VEHICLES.  
IS ONLY TRAFFIC EXCEPT FOR

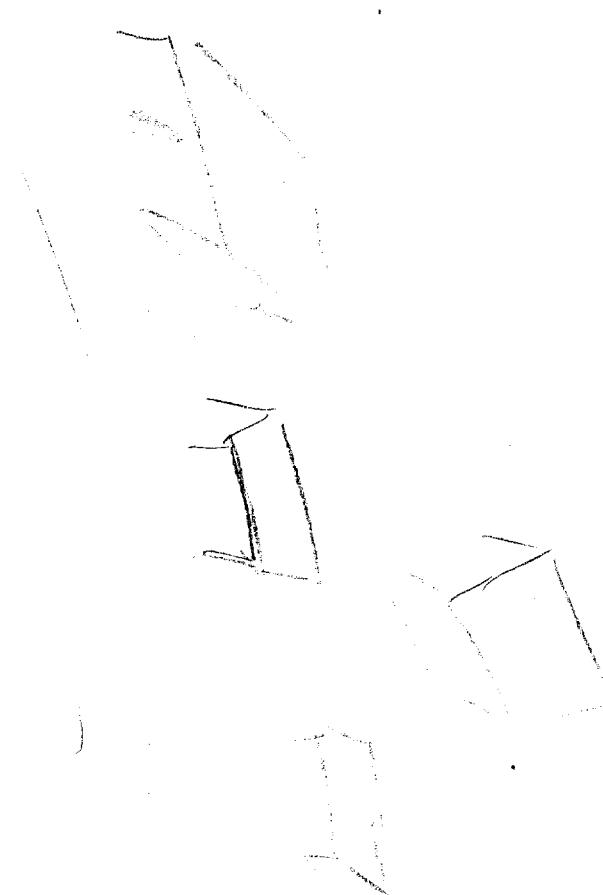

IMMEDIATE VICINITY OF SITE #1 & #2.  
VEHICLE ACCOMPANIED BY HELICOPTER  
AT LEAST OFF AND ON.  
DAY #8. A GROUP OF VEHICLES  
(SEE SKETCH) LEAVE SITE #1 DRIVE  
DOWN ROAD AWAY AND PULL  
OFF THE ROAD TO THE LEFT  
PROBABLY A COUPLE OF KILOMETERS. MAN  
DIG HARD FOR ABOUT 3 HRS.  
VAN WITH ROTATING CONVEY  
THINGS ON TOP SET UP ON  
EACH SIDE OF CIRCLE. LARGE  
MAST LIKE POLES ARE ERECTED.  
MAY BE ANTENNA. SOME ARMORED  
VEHICLES

OF PERIODIC DYING AND  
AT NIGHT TIME FOOT PATROL  
RUN OUT OF AREA BUT DO  
NOT GO TO FAR. THERE  
IS MORE ACTIVITY BY Bearded  
AND Robbed men OFF THE  
ROAD. THERE ARE AT 2 Fred  
FLINT stone like Villages in  
Area one That is partially  
deserted by the road and one  
in A rock valley in Hill which  
is very primitive and still occupied  
OVER ALL A FAIRLY  
3 days.
